Boarding

At ILG schools, we understand that for many students, joining an immersion program abroad – even for a short while – can be both exciting and a little daunting. That's why our schools offer **warm, family-like boarding environments** where visiting students feel supported, seen, and safe from the moment they arrive.

Our boarding houses are designed to welcome young students, some as early as Year 4, with **age-appropriate care** and nurturing routines. For immersion cohorts, we provide **dedicated staff supervision**, ensuring constant pastoral support while helping students acclimate to British boarding culture. Many of our staff are also teachers, ensuring a strong academic-pastoral link that benefits visiting students.

Immersion students enjoy:

A cosy, well-supervised setting that helps them settle in quickly

Opportunities to build friendships with UK students and fellow immersion peers

A structured yet balanced routine with ample time for study, exploration, and play

Full access to weekend activities, excursions, and co-curricular programs

Comfortable, safe, and newly refurbished boarding accommodation

We work closely with international coordinators and group leaders from visiting schools to ensure open communication and real-time updates for parents back home – creating peace of mind while students grow through this transformational experience.

Food

Our students and staff enjoy a wide variety of tastes and flavours from around the world. Our menus are varied and delicious providing students with a high-quality diet that is balanced, healthy and full of fresh ingredients.
